

FORTRESS

FX-115 SHORT SHANK

A STOW-CONVENIENT ANCHOR FOR BOATS UP TO 90 FEET (27.4 m)

- >> Made from high-tensile aluminum-magnesium alloy with corrosion-resistant anodized finish
- >> Able to hold boats up to 90' at a weight of only 60 lbs (27.2 kg)
- >> A short 51 inch (129.5 cm) shank for a more convenient and stowable anchor
- >> Large 33 inch (84 cm) flukes for more digging power and a stronger hold
- >> Made entirely in the USA and backed by a lifetime parts-replacement warranty
