*Limited Platinum compatibility. Check with manufacturer.															
1 Dock-to-dock Route Guidance is for planning purposes only and does not replace safe navigation operations.															
2 Use SonarChart Live on plotter (P) or on mobile via built-in wireless technology (W), GoFree WIFI-1 Module (G), or Sonar Server by Digital Yacht (S).															
3 The latest firmware release is required to run memory cards over 2GB.															
4 Subscription not required for SonarChart Live; requires latest plotter firmware release.
