DRAIN PLUG REIMAGINED

by **SEAVIEW**

## inteliPlug PRO Series Drain Plug by SEAVIEW

### inteliPlug PRO captive drain plug & garboard assembly

- Ergonomic design so you don't need tools
- The spring- loaded cap is captive (stays attached)
- Approved for all marine environments including salt water.
- Manufactured from durable marine grade ABS + 15% fiber
- 2" outer diameter - fits in the same spot as your current garboard drain plug
- Engineered transom gasket - no messy silicone needed
- 3 large individual drain cavities - plenty of flow area
- A direct replacement for the bronze and stainless traditional style garboards. 520040, 520042, 520060
- Boating Industry TOP Product for 2020
- Part # SVIPPRO
