

# SCM-RAL SERIES

## ROUND ACCENT LIGHTS

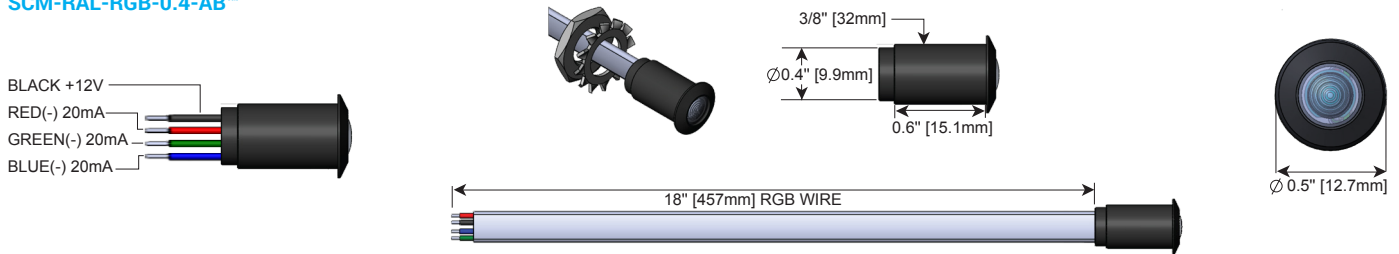

### DESCRIPTION

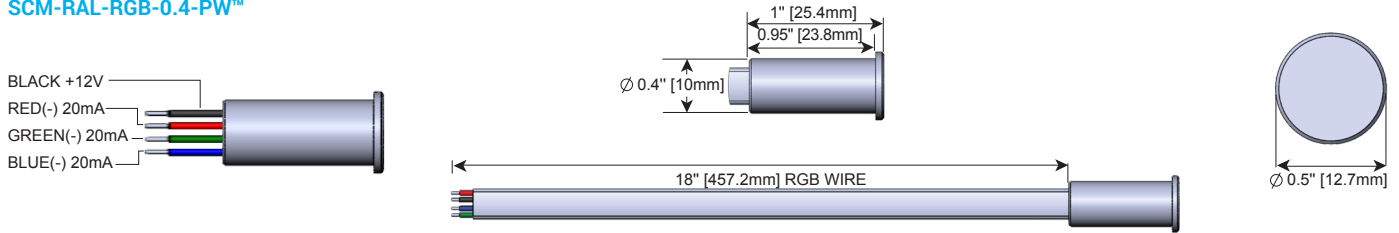

Shadow-Caster®'s Round Accent Lighting "RAL" products are designed for lighting small areas around your vessel. Choose the correct product based on your mounting location and application. Shadow-Caster®'s Round Accent Lights support a variety of mounting configurations for anything from small hatches, cup holders, toe kick areas, walk way illumination, map lighting, baitwells and cooler areas. All of Shadow-Caster's RGB Accent Lights are designed to work with Shadow-Caster's innovative line up of lighting controllers.
