SUPER CUT COMPOUND

DESCRIPTION:

Super Cut Compound is an aggressive cutting compound designed to remove heavy sanding scratches and oxidation from gel coated surfaces, marbled surfaces and some paints. When used with a 100% twisted wool pad, Super Cut Compound works fast and leaves a high-gloss finish.

DIRECTIONS:

1. Shake well before using.
2. Apply a 1" (25 mm) dab of Super Cut Compound for a 15" x 18" (.46m x .46m) section and spread with the cutting pad.
3. Buff at 1800-2200 rpm working the buffer slowly from side to side and front to rear, until most of the product is gone and gloss appears. Always ensure finishing strokes are front to back.
4. Repeat as necessary until scratches are removed.
5. Wipe surface clean with a Presta Micro Fiber Cloth, #800135.

RECOMMENDED PAD:

For best results, use the Presta White Wool Buffing Pad, Part# 890141.

FEATURES & BENEFITS

Innovative formula	<ul style="list-style-type: none">• Works fast and leaves a high-gloss finish• Easily removes 800 grit and finer sanding scratches
Versatile compound	<ul style="list-style-type: none">• Great for restoring gel coats and marbled surfaces• Performs exceptionally on marine applications
Contains no waxes, silicones or fillers	Body-shop safe paste

PACKAGE SIZES:

Quart bottles Part # 134532
Gallon containers Part # 134501

SPECIFICATIONS:

Off white, no fragrance paste
pH- 8.5
Density – 10.64
